

7-8 MONTHS LATER AFTER NSC PAYS DOWN OVERDUE LEGAL FEES TO LAWYER, THE LAWYER TRIES CONTINUALLY TO CONTACT GOOGLE LEGAL DEPT TO ASK THEM TO DEINDEX LINKS. GOOGLE ONLY SOMETIMES COMPLIES AND WITHOUT MUCH CONSISTENCY OR REASON/EXPLANATION.

Dear Google Team,

I am copying you on the correspondence below from my client so that you can see the urgency of the situation. A number of the links that were included in the Court's Order (below) and pursuant to which Google de-indexed false and defamatory links last October, have been re-instated under new URLs. We provided documentation that the content in these new links is identical to the content in specific false and defamatory links that were included within the Court's Order. As you can see, the reappearance of these false, disparaging and blatantly malicious reviews posted by a former disgruntled IT contractor is having an immediate detrimental effect on our client's business. We implore Google please act quickly to de-index these links before more harm is done.

Please contact me directly if you have any questions.

Thank you.
